

Some examples to inspire you

FEELING CREATIVE? MAKE A TREE FOR FOREST OF IMAGINATION!

Forest of Imagination 2016 is inviting everyone in Bath to design and make a 'tree' to feature in our 'urban, creative Forest of a 1,000 trees' in Kingston Parade, Bath Abbey.

We need your help to grow our Forest and bring the creative ecology of the city to life – your tree can be imagined in any size (within reason!), form, colour and recyclable material (but if large and 3-D, it must be a self-supporting and safe structure). Work as teams or individuals & have fun!

Please bring your tree to Kingston Parade, BA1 1LT in time for our event opening on Friday 3 June from 6pm.

About Forest of Imagination 2016

Forest of Imagination is a four-day participatory, contemporary arts event and creative learning programme delivered by a collaborative team of local creative organisations, businesses and individuals. Forest of Imagination is in its third year and pops up in different spaces in and around the city – last year we welcomed over 7000 visitors to the event.

From Friday 3 June – Monday 6 June 2016, the spaces around Bath Abbey (Abbey Churchyard, Kingston Parade and Abbey Green) will be transformed into an innovative and radical space for contemporary creativity and intuitive play, providing an immersive experience for visitors of all ages through interactive installations, artworks and workshops.
